Dear Jack:

Your letter of February 28 together with a copy of the Television Code Review Board's guidelines on the advertising of vegetable oils and margarine has been received. I picked up a rumor about this matter some time ago. This is the first time that I have actually seen the guidelines. I concur in your suggestion that this matter should be called to the attention of the Committee of Counsel and the Executive Committee. I am sending every member of the Committee of Counsel a copy of the guidelines, a copy of this letter and a request that each member give thought to the matter before the meeting of the Executive Committee on March 14. Hopefully, there will be an opportunity for a discussion of it on the 14th.

With kindest regards and best wishes, I am

Sincerely yours,

Horace R. Kornegay
